Thank You, Lord, for melodies and harmonies. Thank You for composers and poets, for instruments and musicians. Thank You for ears to hear and minds to comprehend the gift that was given so long ago, and the gifts You still give today. You know the needs and pains of each one here; You meet us where we are. Immanuel, God with us, be the song we sing, Yours the melody we carry, Your song of peace ringing out through everything we say and do. In the name of Jesus we pray, Amen.
